During these challenging times, Nuvo Suites has strived to make sure our guests are Safe and Secure. Our staff understands the visitors and long term guest's expectations and we have made sure our facilities maintain the safety precautions that are so vital, such as:

- Cleaning staff routinely disinfects all common areas such as the walkways, elevators, lobby, pool and conference areas.
- Multiple hand sanitizer dispensing stations are easily available in high traffic areas.
- Our hotel staff is on the forefront of communication by ensuring CDC guidelines and social distancing policies are promoted.

Please review and monitor the current CDC guidelines <https://www.cdc.gov/coronavirus> and Miami Dade County COVID Information <https://www.miamidade.gov/global/initiatives/coronavirus/home.page>
